## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 21-40 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant's amendment has placed the application in condition for allowance because Usenko fails to teach nor suggest to provoke coalescence of the microcavities at the limiting pressure as claimed. Consequently, claims 21-40 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
